RULE 1.312 AMENDMENT AFTER ALLOWANCE

Sir:

Please cancel the above title as submitted by Applicant, and also the alternate title provided by the Examiner in Examiner's Amendment o/a 11/19/2007, and substitute a new title as follows:

ADJUSTABLE-SPEED ELECTRONIC METHOD OF COMPOSING INFORMATION

REMARKS

This application was allowed by Notice of Allowance mailed on 11/19/2007. The Examiner had very correctly noted that the title previously submitted by Applicant was not properly descriptive of the invention as claimed. The new title submitted herewith is in full compliance with the MPEP 606.01 requirement to be "clearly indicative of the invention to which the claims are directed." Adjustable speed is the essence of the claimed invention.

The Issue Fee Transmittal and check in payment of the Issue Fee, as well as the required response to the last Office Action, are already in the mail addressed to MAIL STOP ISSUE FEE.

Respectfully submitted,

Gene W. Arant
